more or less, is not a "drop in the bucket" when a year's cotton crop is considered, and should not make a bale of cotton worth one iota more or less. But the gamblers take advantage of every little point to manipulate the market up and down and thus "shear the lambs." Saturday's estimate, which was 57,000 bales above the estimate of August 8, caused the market price to recede about \$1.00 a bale, but a part of the loss was assessed. The redex to the cotton of the City of Elba, Alabama, have ordered an election to be held on the 17th day of September, 1934, in the Page Building in said City, for the purpose of electing a Mayor and five Councilmen for said City, to assume office October 1st, 1934, and the following are the officers appointed to hold said election:

NOTICE TO SUBSCRIBERS!

We have been exceedingly lenient to some of our subscribers and we are going to continue to be, insofar as we are financially able.

Heretofore we have taken almost anything they have offered us on subscription. Since times are considerably better and money more plentiful, we feel that it is nothing but right to ask those in arrears to pay up and get their subscription account active again.

Under strict compliance with the NRA code, we

National advertisers who audit our subscription lists will not recognize non-paying subscribers. We strive hard each week to make this newspaper readable and with all the improvements we have made we have never raised the subscription price—on the

contrary, the price has been reduced one-third. Beginning with this issue, we are going to strike from the list, from week to week, those in arrears. You cannot afford to miss an issue of your county newspaper, therefore drop by the office and get your subscription active.

We would appreciate your prompt attention.
